## 2026 Frozen Semen Price List

**Freezing Semen Set Up, Collection and Processing** **\$800.00**

Includes extenders, straws, Centrifugation with cushion, freezing and storage through Dec 31 of freezing year.

### Frozen Semen Storage

Frozen semen storage is charged per stallion per year in January. Any semen remaining at Buena Vista Farm after breeding season and accounted for the following January will be charged storage fees accordingly. Owners are responsible for all fees related to storage of and the return of unused doses.

**\$425.00 per canister (5+ doses)**

**\$100 per dose**

Any doses of frozen semen with storage fees *overdue by 5 months* will become the property of Buena Vista Farm. Semen will then be sold to recover costs or destroyed.

### Frozen Semen Shipment

Semen handling and administration fee	<b>\$45.00</b>
Vapor shipper charging and rental	<b>\$250.00</b>
Prepaid FedEx including return	<b>Varies</b>
Vapor Shipper Replacement Fee	<b>\$1500</b>

**All shipping is subject to vapor shipper availability. Buena Vista Farm cannot guarantee same day shipping requests will be fulfilled. Any vapor shipper not returned within 5 business days will be subject to the Vapor Shipper Replacement Fee.**
